G.A.A.

The Girls' Athletic Association of Taft is under the sponsorship of Miss Einweck. Every girl at Taft is a member of the club. The club's purpose is to promote more girls to earn a G.A.A. letter. A girl working for her letter must earn 500 points in various divisions such as 50 in service, 50 in swimming, 100 in games, and 100 in scholastic achievement to qualify for a letter. She must also present either a medical or dental certificate and earn an "S" in gym the semester she pursues the letter. After earning this letter she may go on further to work for chevrons and a star. This year the newly formed Referee Club is a branch of G.A.A.

The members of this club referee the intra-mural games played between the "select" teams of every girls gym class. To join this club, which meets before and after school during the tournaments, girls must have earned their letter and have an active interest in sports.

Dear Mr. Kupcinec:

We wish to thank you sincerely for your services as Taft's Head Football Coach for twenty-three years. We are grateful for the fine 'esprit de Corps' you have instilled in our boys—a most worthy part of their education. It is your dedicated service that we salute; without it neither Taft nor Taftites would have had the opportunity to learn from a Master who has brought honor and fame to our school.

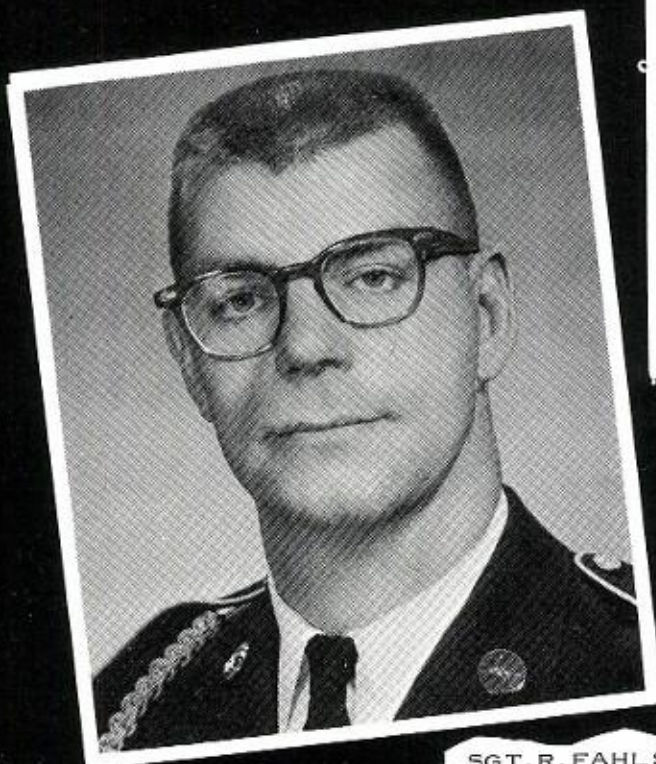

Sincerely,

Taft Students
